# Important Information

## Barcelo Capella Beach Wedding

### Wedding Locations:

- Beach
- Garden
- Meeting rooms
- Restaurant

### Timetables:

We have different Schedules for the ceremonies with the judge from 10:00 a.m. to 5:00 pm upon reservation. Every day of the week are available for these ceremonies, except Sundays and public holidays. The couple must confirmed the day and time for your wedding on time , to make some changes to it must notify 30 days in advance

### Tips:

Another important advice is after the bride and groom have booked the date of the wedding they must try to have their documents ready with enough time, as it must be sent to the judge before the wedding if there is any problem we have time to solve it.

The regulations says that the bride and the groom must be in the hotel 3 days before the wedding but I recommend to be almost one week before then you could see the place where the ceremony is going to take place and if there is something to change we have time, also you can meet the photographer and have time to think and choose.

If you want to get married on the beach I recommend to choose a nice but simple dress otherwise you will have problems with the sand and the breeze. This suggestion applies also for the guests is good to be with comfortable clothe and shoes. Services such as extra flowers,

DJ services and pictures that are not included in any of the packages have an additional cost.
